

Rests

The pauses in music are indicated by 'rests'. When you see a rest, you count it just like a regular note, but you play nothing. Just like with the very short notes, you can keep adding flags to the rests to make them shorter and shorter.

Name	Value	Note	Rest
Whole	4		
Half	2		
Quarter	1		
Eighth	1/2		
Sixteenth	1/4		

Here's an example of how to count a passage with 16th rests:
